Plot 30, Nagarjuna Hills, Punjagutta
Hyderabad – 500082
Phone: +91 9666604444**

Supported by:

Children's Cancer Foundation

Dear Colleagues,

It gives us great pleasure to invite you for the workshop on Paediatric Leukaemia.

Our aim is to provide the latest updates on management of Paediatric Leukaemia by eminent faculty from all over India. This will include interactive discussions to help highlight the various issues encountered in managing these children and ways to overcome this in our country. The topics range from treatment issues to financial issues and models that have overcome these barriers to bring out the best results possible.

The workshop is aimed at Paediatric Hemato-Oncology trainees, Consultants, Paediatricians, Medical Hemato-Oncologists and anyone involved in managing children with leukaemia.

We will strive to provide a rich scientific experience for everyone attending this workshop.

With warm Regards,

Dr. Ramana Dandamudi
Dr. Parinitha Gutha
