

Health Review Camp for Thalassemia Children in Vijayawada

Kinnera Memorial Trust (www.kinneramemorialfoundation.org) Children's cancer foundation, Hematology foundation, Mamatha foundation in association with Shikara School, Vijayawada have organized a Health Review Camp for Thalassemia Children on Sunday, 4th February in Shikara School, Vijayawada.

50 children attended the camp. Most of these children's blood samples were collected last month and made all the reports ready for review. Dr. Ramana Dandamudi (Little Stars Children's Hospital, Hyderabad), Dr V. Sridevi (Mamatha Nursing Home, Vijayawada) and Dr. Maganti Prasad (Chairman, Indian Red Cross Society, West Godavari Dt) reviewed the reports and each child's health condition and provided guidance to children and parents.
