

Mamata Foundation and Kinnera Memorial Trust are jointly organized Thalassemia International Day on 7th May 2018 in Sikhara School, Vijayawada. Health Checkup by specialist doctors was done for 40 children with Thalassemia Blood Disorder

Activities:

1. Parents were counselled regarding the care to be taken.
2. Children were motivated by adult thalassemia patient Soujanya who is now 30 year old and healthy. All young patients were very much inspired by her .
3. Children had some fun . They sang the songs, danced to Tollywood beats had fun together had lunch n dispersed at 3.30 pm .
