Kinnera Memorial Foundation, USA

Respected Sir,

My name is K. Venkateswara Rao. I am working as the head master of a Model primary school at Kambhampadu, Macherla Mandal, Guntur District.

We have 4 regular teachers in our school. We could increase our school strength to 135 from 71 for this academic year by conducting various awareness campaigns in the village. In order to provide quality education to our students we need 2 vidya volunteers.

I request your financial help in maintaining 2 vidya volunteers.

Amount per Month	No. of volunteers	No. of Months	Total Amount in Rupees
5,000	2	6 [Nov - April]	$5,000 \times 2 \times 6 = ₹ 60,000$
